8 January 2018

Dear Parent/Guardian

Year 12 Higher Education Activities - March 2018

We are currently focusing Year 12 tutorial work on careers and opportunities beyond school. An overwhelming amount of students at Colyton have indicated a wish to apply for Higher Education and competition for places and the pace of change are such that all students need to be well informed about the process.

Two school activities are related to this:

1. Higher Education Exhibition at Westpoint, Exeter – Tuesday 20 March 2018

We shall be taking Year 12 students to the Exhibition (depart 9.15am and return to school by 2.20pm). The Exhibition is arranged by UCAS and includes stalls for a wide range of Higher Education establishments with talks and seminars on various issues. A small voluntary contribution is usually requested towards costs. Further details will be issued under separate cover.

2. Higher Education Information Evening at School – Thursday 22 March 2018, 7-9pm

We shall be holding a Higher Education Information Evening in school for Year 12 students and their parents. Guest speakers will cover topics such as university applications, including Oxbridge, admission procedures and graduate career prospects. There will also be time for individual questions. We are very grateful for your support at this demanding but exciting stage of a student's career and hope that you will be able to join us for the evening in school. I would be grateful if you could email Mrs Orchard, Sixth Form Administrator, aorchard@colytongrammar.devon.sch.uk as soon as possible, to confirm whether you will be able to attend and look forward to seeing you on 22 March.

Yours faithfully

Mr S Smith

Head of Sixth Form
