All members of the school are expected to act with courtesy and consideration to others at all times.

We should arrive at lessons punctually and properly equipped. During lessons students should be attentive, engaged and co-operative. Classes should stand when the Headteacher enters the classroom. The same high standards of behaviour are expected in assembly or when participating in any school event, as well as when travelling to and from school. Those driving or cycling to school should do so with great care.

Movement about the school should be orderly and courteous, mindful of the needs and safety of other students, staff and visitors.

Personal appearance should be smart reflecting a respect for others in the school, with uniform worn correctly.

Bullying of any kind, verbal abuse and insulting language are never acceptable.

The school buildings, grounds and property should be cared for by all. Littering is anti-social. We should do our best to help the support staff in maintaining the attractiveness of the school inside and out. The same respect must be shown towards the personal property of others.

Nothing should be brought to school that is harmful or offensive including tobacco, alcohol, any illegal substances, weapons or offensive materials.

The Code of Conduct is supported by specific school rules and by the School Ethos statement.

Following the Code of Conduct creates a pleasant community and an effective learning environment for everyone.
